History: Unit 1

Britain Transformed, 1918-1997

READ

- **Read** and **annotate** the document *'Crises, War and its Consequences – Britain, 1911-1918'* (Access to History, Britain 1900-51).

WRITE

- **Task 1:** Create a **clear and detailed timeline** that outlines the key developments and events between 1914-18. Your timeline should include:

    - All the key military developments (i.e. developments with the war)
    - All the key Political developments (i.e. developments within each of the political parties)

- **Task 2:** Using your handout (p51-62) complete the **summary hand-out** on the period 1914-1918 in detail. Make sure you answer each question clearly and focus on the most important information.

- **Task 3:** Using all of your reading, **complete the last page** of the handout summarising the impact of the war on each of the main political parties. Consider:

    - Did the war have a positive impact on each party?
    - How united or divided was each party by the end of the war?
    - How well did each party perform in elections before the war and after the war?

These notes should be well organised, detailed, and clear. If you would prefer to make your notes on file-paper, please use the headings on the handout.
