Letter No: 091/2026

16th November 2026

Dear Families,

Bronze Arts Award

We are delighted to offer all Year 7 and Year 8 students with the opportunity to complete their Bronze Arts Award. This is an external qualification provided by Trinity College, London and celebrates their attainment across any or a combination of arts disciplines. Further information about Arts Award can be found at www.artsaward.org.uk

Students will complete a log book documenting their involvement in arts activities, their development of skills and their attendance at arts related events. These can include music, dance, drama, film making, visual arts and photography. This is a fantastic opportunity for students who love the arts to develop new skills, reflect their experiences of an arts event, research an arts event and develop a portfolio to showcase their learning.

Bronze Arts Award is a Level 1 qualification on the regulated qualification framework and many of our students appreciate the opportunity to have their creative practice recognised. Arts Award is an Approved Activity Provider for the Duke of Edinburgh Award meaning that students can link their Arts Award to the DofE and that Arts Award is a recognised activity as part of the skills section of the DofE. Submissions in previous years have been truly outstanding and a real tribute to the excellent work happening both in and out of school in relation to a range of arts disciplines.

We will ensure all students have the correct arts award journal and we will also submit the work for external examination. **Students will need to be able to attend a weekly support session which will run every Wednesday from 3pm-4pm in F1. The combined cost for the journal and entry is £35. Payments can be made via ParentPay.** The school will also consider individual cases of financial support, where appropriate.

Please can all payments be returned by **Tuesday 1st December 2026.** Please note that students will be required to complete work independently for this opportunity and must take responsibility for meeting deadlines in order to be entered for the award.

We hope your child will become involved in this optional, yet exciting project within the arts and we look forward to supporting them on their Arts Award journey.

Yours sincerely,

Liz Kelly
Director of Learning: Art
