Letter No: 020/2026

10th September 2026

Dear Families,

Sandringham Learning Fund Contribution – 2026/27

Each year we ask all families to make a voluntary contribution into the Sandringham Learning Fund by a standing order process to spread costs across the year.

The Sandringham Learning Fund is designed to improve and enrich many aspects of school life that are not directly concerned with the curriculum. The fund is very important in enabling us to provide the sort of extra-curricular opportunities and amenities that we expect in an outstanding school such as Sandringham and it will benefit all students at some point throughout the year.

Our Student Leadership Team is very active and has some wonderful ideas for improving the environment for young people and supporting significant improvements to the school site. This will include seating, recreation areas, sports and other activities benefiting the whole School community. The fund supports our extensive rewards scheme, designed to encourage all students to do their best and reward them for their efforts, including our new student leadership programme. Please find below details of how to set up your standing order via your online banking. If eligible, please also complete the Gift Aid link via the school website - Curriculum - transition into Year 7.
