16th September 2026

Dear Families,

Free School Meals offer September 2026 – Update on Meals and Breaktime Snacks

We are pleased to outline details about an expanded selection of breaktime options for students who qualify for Free School Meals. Listed below is a list of breaktime snacks that are available within the new Free School Meal daily allowance of £4.25 when paired with the lunchtime meal deal (see attached flyer), which costs £2.65.

Not all items are available every day, but there is a good selection available from this list at each breaktime. It is important that students are aware of these breaktime snacks if they are to preserve enough money to obtain a meal deal at lunchtime.

These items will be clearly marked throughout the canteen, and products in the hot snack cabinets will be arranged in ascending price order. We encourage you to take time to review these offerings and discuss them with your child to help them maximise their allowance and prevent overspending.
