3rd September 2026

Dear Families,

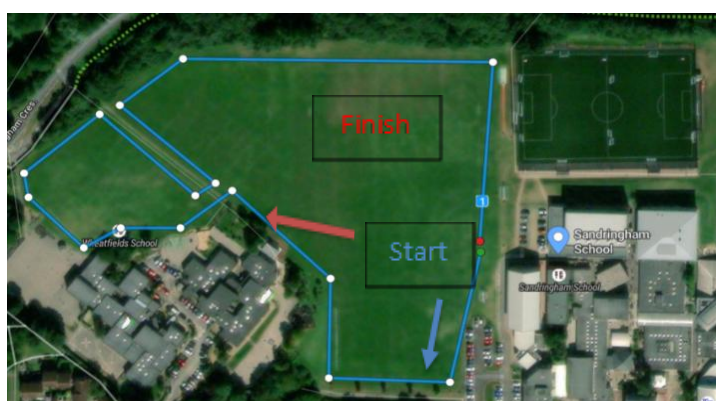

Year 7 Mob Race Tuesday 8th September 2026 16:15 – At Sandringham School
Year 7 ONLY event

One of the first highlights on our school calendar is the annual Year 7 Mob Race. A fantastic opportunity for students to represent both their house and the school in a local district competition. This 2.3km race takes place around our school campus and sees our students compete against their peers from other schools across St Albans and Harpenden.

The event is open to all Year 7 students, and we actively encourage as many as possible to take part. It's a great chance for them to challenge themselves, show their house spirit, and even race alongside, or against, former classmates from junior school. Beyond competition, the Mob Race is about participation, enthusiasm, and community. It's a brilliant way for students to demonstrate their commitment and strive for personal excellence, all while having fun.

The race will be held on **Tuesday 8th September**, with a **16:15 start**. Students should compete in their full PE kit, including suitable trainers. They may either stay at school until the event begins or return home and come back in time for the race. We expect the races and presentation to conclude by **17:15**, and we warmly invite parents to come and support the event.

We look forward to your support and hope your child is excited to take part in this memorable experience.
