Dear Parent/Carer,

**A-Level Science Resource - Snap Revise**

As your child continues with their A level Science course we are keen that they have access to excellent resources to support their learning. Snap Revise is an online tutorial package that aims to help students with knowledge of the course content and the required investigations. It also includes past paper questions and videos on how to approach them.

The school has managed to secure a significant discount, however we are making a request for a voluntary contribution of **£10 per student per subject**.

Please visit [www.snaprevise.co.uk](http://www.snaprevise.co.uk) or speak to your teacher for more information.

Please return the reply slip below along with payment via parent pay, cash or cheque by **Friday 11<sup>th</sup> January**.

Yours sincerely,

Sam Head
