Dear Year 11 Parent,

I am writing to inform you about a key school calendar event. The Year 11 Information Evening that is taking place on Wednesday 6th February at 6.30pm.

Following on from the trial examinations, this evening will be an important opportunity to go through some vital information that will be of use as we approach the summer examination series.

Parents will be hearing an update on the following:

- The mentoring programme
- Session 6 provision
- Using the memory clock
- Tips from the Youth Health Champions to support your son/daughter through the final phases of study/revision

At present, the work that is happening with your child at school is focused on final GCSE exam preparation and supporting your student to achieve the best they possibly can. However, the work going on in classrooms is only one part of the GCSE 'jigsaw' and the other pivotal factor in the success of our Year 11 students is the support that parents and carers are able to offer at home. Supporting your son/daughter with revision, consolidation of ideas and home learning often proves extremely beneficial for Year 11s and their overall GCSE success and confidence levels.

If you are unable to attend this evening please let your son/daughters tutor know in advance.

I look forward to seeing you there.

Yours sincerely,

Aimee Malherbe
Performance Director: Year 11
