AAT SAFE-GUARDING STATEMENT OF INTENT

Last reviewed:

Next Review:

The Alban Academies Trust is wholly committed to ensuring that all children and adults at risk who engage with our Trust are cared for in a safe and secure environment.

PRINCIPLES

The Trust will:

- establish and maintain an environment and culture where:
 - children are kept safe, feel safe, are able to talk about and are listened to when they have a worry or concern
 - parents are confident that their child is kept safe and feels safe
 - AAT staff and volunteers feel safe, are encouraged and able to talk and are listened to when they have concerns about the safety and wellbeing of a child
- ensure children know that there are adults in any school within the MAT whom they can approach if they are worried
- ensure that children who have additional/unmet needs are supported appropriately. This could include referral to early help services or specialist services if they are a child in need or have been/are at risk of being abused and neglected.
- consider how children may be taught about safe-guarding, including online, through teaching and learning opportunities, as part of providing a broad and balanced curriculum.

All staff members within the Trust working with children are advised to maintain an attitude of 'it could happen here' and 'doing nothing is not an option' where safe-guarding is concerned. When concerned about the welfare of a child, staff members should always act in the interests of the child.

PROCEDURES

The Trust and every academy in the Trust follow the procedures established by the Hertfordshire Safe-guarding Children Board; a guide to procedure and practice for all agencies in Hertfordshire working with children and their families.

The safe-guarding policy of each academy in the MAT is the same and is based on the model Child Protection Policy recommended by Hertfordshire County Council, as all our academies are based in Hertfordshire.

All policies and procedures in respect of safe-guarding children throughout the Trust are up to date and in line with Keeping Children Safe in Education (DfE 2018).

Please visit each academy's website to read their full Child Protection Policy, which will include named individuals for that school.

TRUST ARRANGEMENTS

- have a designated senior person (DSP) and a designated governor for safe-guarding (N.B. Keeping Children Safe in Education, DfE 2018, refers to this role as Designated Safe-guarding Lead – DSL)

MONITORING AND REPORTING

The AAT will:

- Monitor the quality of safe-guarding practices and their impact on outcomes for children across the Trust and provide regular reports to the Trust Board. An annual report to the Board of Trustees will address key safe-guarding concerns that have arisen, issues flagged following post incident reviews and audits, emerging safe-guarding issues and training needs.
- Monitor academy compliance at each academy within the MAT, through an annual safe-guarding audit, a report to Trustees by each Academy Governing Body and through staff performance measures.

- Work with the headteachers of the academies to ensure that the performance of vulnerable children is effectively monitored and that appropriate support is made available to those children who are at risk of achieving poor outcomes
- Liaise with local authority lead professionals for safe-guarding, the HSCB, Ofsted, ESFA and other agencies as required
- Commission external challenge and support where appropriate to ensure academies meet their statutory responsibilities in respect of safe-guarding and promoting the welfare of children
- Provide opportunities to DSPs from each academy across the Trust to meet to discuss practice, to share learning and to train together. This will include sharing post incident reviews and action points to improve practice.

REVIEW

This statement will be reviewed annually or whenever statutory safe-guarding requirements or guidance changes, whichever is the sooner, by the AAT Board of Trustees and the academies within the MAT.

TRAINING

All MAT staff will receive appropriate safe-guarding children training from an accredited body. Formal update and/or re-training will take place at least every three years, as advised by the Hertfordshire Safe-guarding Children Board (HCSB), to ensure staff remain sufficiently knowledgeable and aware of their role in the early recognition of the indicators of abuse or neglect and of the appropriate procedures to follow. In addition, all schools will ensure all staff receive update training annually and will provide staff members with additional safe-guarding and child protection updates (for example, via email, e-bulletins and staff meetings), as required, but at least termly, to provide them with relevant skills and up-to-date knowledge to safeguard children effectively. Training will include the topics referred to in the 2018 version 'Keeping Children Safe in Education' that might not have been explicit in the past. These topics include:

- Peer-on-Peer Abuse, including sexual violence and harassment between children
- So-called Honour-based Violence
- Understanding the additional safe-guarding vulnerabilities of learners with SEN and disabilities, and how those barriers can be overcome
- Contextual safe-guarding such as County Lines criminal activity

The Board of Trustees of the Alban Academies Trust has ultimate responsibility for safe-guarding issues.

Operationally, this responsibility is currently delegated to the CEO.

The DSP's training will be updated every two years with an update at least annually. DSPs will also liaise with representatives at the local authority/Virtual School regarding children looked after by the local authority in their school.
